WHO IS YOUR DISPENSER?

I would like to introduce myself as your dispenser at Sandy Health Centre.

My name is Carol .

At times you may also see Tracey the Office Manager, or Penny—dispensary assistant , and Rebecca-trainee, working in dispensary .

DISPENSARY OPENING TIMES

Monday– Friday

9.00am –12.30pm

Closed for lunch 12.30- 2.00pm

2.00 pm–5.00pm

WHY DO WE ASK FOR A MINIMUM OF 48 HOURS NOTICE (2 WORKING DAYS)

The reason we ask for 48 hours notice is because all patients medication must be reviewed periodically with the doctor to ensure that you are taking the correct medication and dosage. After checking your medication the doctor may decide that you need to attend the practice for an appointment to see the nurse or doctor for a consultation, this will be highlighted on your repeat prescription.

By allowing 2 working days notice we will have enough time to order any medication that we do not have in stock.
